

I Should've

I should've taken more notice of my sister,
When she got pregnant by Jim.

But I was young and I was stupid,
Not realizing why she wasn't so slim.

I shouldn't have gone out with Tony,
Do you know him? He's the brother of Jim.
But he made my legs go aquiver,
And I couldn't use the muscles within.

Tony stood by me,
I think the handcuffs helped!
We said our vows for better or worse,
I'm sure you know the rest of the verse.
